

AMHERST TOWN COUNCIL

MEETING: 12072020-8b2b

ORDER #: FY21-32

The Town of Amherst, through the Amherst Town Council, IT IS SO ORDERED:

Approval of temporary use of the public way to install public information and emergency communication signs, known as the Soofa Solar Information and Communication Signs Project, for one year from installation, at the following locations, as recommended by the Town Council Town Services and Outreach Committee (TSO) report of December 4, 2020; these locations are subject to adjustments in the field by the Town Engineer, as necessary: One (1) Solar Charging Station near intersection of North Pleasant Street and Cowles Lane (at the benches in front of St Brigid's Parish);

- One (1) Information Sign on North Pleasant St. by the crosswalk (across from Central Fire Station/in front of former Starbucks location)
- One (1) Information Sign at the northwest corner of Amity St. and North Pleasant St.
- One (1) Information Sign at the sidewalk of South Pleasant Street and Spring Street (in front of the Town Common by the Spring St. Parking Lot)

VOTE: unanimous, 13-0 on December 7, 2020

Attest:

Clerk of the Council

CC: Town Manager; Communications Manager
