

JOINT MEETING

AGRICULTURAL COMMISSION
&
CONSERVATION COMMISSION

March 31, 2011

Town Room, Town Hall
7:00 p.m.

THE FUTURE OF FOOD FARMING IN NEW ENGLAND

Dr. Brian Donahue, Brandeis University Environmental Historian and one of the founders of Land's Sake Farm in Weston, MA will present...

"the future of food farming in New England"

...followed by local speakers and an open discussion on the implications for Amherst. Help us create a vision for a more sustainable food system, here in our own hometown!
