A. To see if the Town will amend Article 30 of the 2005 Annual Town Meeting – Fiscal Year 2006 Operating Budget, by appropriating to the Health Claims Trust Fund \$705,443 for employee health insurance and to meet such appropriation transfer \$705,443 from Free Cash in the Undesignated Fund Balance of the General Fund, said appropriation to be reimbursed to the General Fund monthly via a temporary health insurance premium surcharge to employers and employees until such time the total appropriation has been reimbursed.

ARTICLE 7. Transfer Control of Wentworth Farm (Conservation Commission)

To see if the Town will approve the following resolution:

Whereas, 25 – 30 acres of land bounded by Belchertown Road, Old Farms Road, and land of the Conservation Commission abutting the Fort River and composed of Parcel 46 and portions of Parcel 17 and 18 of Map 18A of the Town Cadastre have been owned by the town and managed by the Conservation Commission since 1983; and,

Whereas, because of wetlands and vernal pools, this 25 – 30 acre parcel has only 3 plus buildable acres – which buildable acreage is compromised by being a functional part of the habitat of an endangered species; and,

Whereas, uses previously proposed for this land, i.e. an elementary school site (rejected by voters and town meeting, and later withdrawn as a school site by the superintendent), soccer fields (insurmountable environmental barriers), affordable housing (adverse environmental impacts plus the costs of very long driveways), and a playground (adverse environment impacts, driveway costs, and security), have proved to be unworkable; and,

Whereas, there are both private and public parcels that would be suitable for elementary school sites, if needed; and no parcel or parcels of conservation land north of the center of town or elsewhere are or have been determined to be suitable school sites for which this land could serve as compensation;

NOW, THEREFORE, BE IT RESOLVED, that the Amherst Representative Town Meeting transfer this 25 – 30 acres of land now informally managed for the town by the Conservation Commission and composed of Parcel 46/Map 18A and portions of Parcels 17 and 18 of Map 18A of the Town Cadastre and bounded by Belchertown Road, Old Farm Road, and land of the Conservation Commission abutting the Fort River from the care and custody of the Select Board to the formal management and control of the Conservation Commission under Massachusetts General Laws Chapter 40, Section 8C.
