The undersigned registered voters of the Town of Amherst submit the following article and request that it be placed on the Warrant for the Special/Annual Town Meeting of May 6 2013

(Article wording must appear, in its entirety, on every petition form submitted to Selectmen)

We, the undersigned people, who are Amherst voters, petition the said town of Amherst to provide annual funding of 30 thousand dollars to the Pioneer Valley Transit Authority in order to add a spur to the existing PVT/UMASS Sunderland/South Amherst bus route #31 to service the new Amherst Survival Center on a regular basis as was the case with the previous ASC location, to provide much-needed transportation to the elderly, disabled and poverty-stricken families and individuals who have neither the ability to traverse the one-third (1/3) mile from the existing stop on North Pleasant at the Congregational Church intersection nor make the return one-third-mile walk back to that bus stop. This allocation should include a sheltered bus stop structure with adequate seating, lighting and an emergency call box.
