

Earth Day Cleanup

Sponsored/Supported By: The Goat Girls, Amethyst Farm, Amherst Conservation Department and DPW

- **WHEN:** Wednesday, April 22 from 3:45 – 5:30 pm
- **WHERE:** Meet at the barn at Many Hands Farm, 132 Pelham Road, Amherst

You're invited to an Earth Day Cleanup!

Please join us as we clean up a 1/4 mile of Pelham Road and the Amethyst Brook Conservation Area. Trash that had been covered by Old Man Winter's snow has built up and *The Goat Girls* would like to do its part to beautify its neighborhood.

- ♦ **Come meet our herd and get a chance to see our "pack goat" in training.**
- ♦ **Goat Girls T-Shirts will be for sale at the barn.**
- ♦ **Early bird gets the worm! First three community members to arrive receive a free t-shirt!**
- ♦ **Trash bags will be provided.**
- ♦ **Please bring appropriate clothing, gloves, and footwear as most work will be done at the edge of the woods along the road.**
