For Immediate Release

Contact: Christine Brestrup, Planning Director, 413-259-3145; or Paul Bockelman, Town Manager, 413-259-3002

(November 22, 2017) The Town of Amherst Select Board, Planning Board, and Town Manager invite you to the second in a series of community forums on Downtown Amherst on Wednesday, December 6, 2017, from 7:00 to 9:00 p.m. in the Bangs Community Center, 70 Boltwood Walk. The purpose of the forum is to continue our discussion about the Downtown – our town center – and to begin to make a plan for the future.

We want to hear from everyone – residents, students, business people, workers, walkers, bicyclists, movie-goers, library patrons, shoppers, visitors – whoever you are. The last time we met we gathered input about what we love about Downtown Amherst and what needs to be improved. This time we will be focusing in on how to preserve what we love and how to shape our Downtown for the future.

Join us and express yourself in this interactive forum. We want to know what you think.
