

## Save with our \$9 for 90 Generics Program

Our \$9 for 90 Generics Program will save you time and money by offering many generic drug prescriptions at discounted prices for direct-to-home delivery.

Express Scripts, our pharmacy benefits manager, coordinates the home delivery of many generic drugs with no cost standard shipping. Additionally, the \$9 copayment is applied to your annual out-of-pocket cost—helping you to further maximize the value of our program.

In addition to the significant savings on many generic prescription drugs, you enjoy the convenience of home delivery and a 90-day supply of generic drugs. This is a better option than the 30-day supply dispensed by retail pharmacies, which require in-store pick-up.
