Hello Residents of Amherst!

We invite you to take the attached **survey** to help make Amherst a more Age & Dementia Friendly Community. This survey will help us to collect input from residents on what is needed to create a **safe, healthy and inclusive** environment for older adults, people living with dementia and the people who care for them.

Your participation will contribute to an understanding of what is working and where there are opportunities for improvement and will help to prioritize actions needed to **improve the livability of Amherst for people of all ages.**

Everyone who completes this survey by March 31, 2022 will be eligible for a drawing for five \$50 Gift Cards generously contributed by the Amherst Area Chamber of Commerce. (Surveys will be accepted after the March 31)

Surveys may be filled in online at <https://www.surveymonkey.com/r/AFAmherst2>.

Hard copies may be returned to the **Bangs Community Center, South Entrance, Outside Room 101, 70 Boltwood Walk, Amherst** or **Jones Library, Circulation Desk, 43 Amity Street, Amherst** or mailed to **Amherst Community Survey, PO Box 3498, Amherst, MA, 01004.**

The results of this survey will be used to develop a Community Assessment and Action Plan that will serve as a road map for making Amherst an Age & Dementia Friendly Community. If you need assistance completing this survey, contact Senior Services at seniorcenter@amherstma.gov or (413) 259-3060.

Thank you!
